Hi Dayle,

I'm not sure what you mean by what you would say in tasking Mike. Isn't there standard verbiage for tasking? Mike is the Remedial Project Manager assigned to the site.

According to Joe Vranka, The Subject Matter expert for this request is Mike Cirian, the Remedial Project Manager. Do you want me to task Mike? What do you suggest I say to task him?
I am going to assign you a task in FOIAonline to allow you access to the FOIA.

Thanks - Dayle
